**Shipping Guidelines**

Please help us keep this a free shipping service by following these guidelines.

**Recommended Shipping Materials:**

Bubble Envelope (6" X 9" or larger for larger phone quantities). You may also use a small box using newspaper or packing peanuts to secure your phones. Remember that Cellitused.com is not responsible for broken phones during shipping.

Cut out the free shipping label above and tape to either the bubble envelope or box and then just place it in the mail. You do not pay a cent!

**What to do before mailing your phone:**

- Unlock your phone if you have it personally locked or send the unlock code along with the phone
- Deactivate the phone/s or make certain there is no remaining balance on the phones
- Be sure your phone is charged for speedier processing

**Cellitused.com** would like to thank you again for your business. We are committed to providing a convenient alternative to storing your old cell phones in a closet, in a drawer, or even in the trash as well as helping you recycle it for the good of others and the environment. We provide an excellent solution for those who upgrade to a new cell phone but have no use for their old one.
